

Industry-leading insights. Cutting-edge innovations. Solutions you need to improve the health of your organization and community.

That's why we are excited to invite you to our annual Breakthroughs Conference and Exhibition.

WHY BREAKTHROUGHS?

Creating change. Inspiring action.

Premier's annual Breakthroughs Conference and Exhibition is an exclusive member event where you can join more than 4,000 like-minded healthcare decision-makers and peers working together to create real solutions to transform healthcare.

No matter where you are on your transformation journey, Breakthroughs has the education, ideas, resources and people you need to discover new ways to advance innovation, improve efficiencies and navigate today's ever-changing healthcare environment.

At Breakthroughs 2020, you will:

- » **Get the latest updates on healthcare policy and industry trends.**
- » **Learn best practices from colleagues who are driving meaningful change to reduce cost, redesign care and improve outcomes.**
- » **Build new relationships with peers who share your concerns and challenges.**
- » **Optimize your supply chain with Premier's exhibiting suppliers.**
- » **Gather information about the clinical, financial and operational innovations that are on the horizon.**

You will leave the conference enlightened, energized and prepared to chart the road ahead.

Take advantage of this customizable experience in **Nashville, Tennessee**, to find the solutions you need to transform healthcare.

Premier members: No cost to register.

Best practices.

Create a tailored curriculum from more than 150 concurrent sessions that are offered in more than 25 different educational tracks and walk away with practical solutions that can be immediately applied.

Thought leadership.

WHY BREAKTHROUGHS?

» *"Breakthroughs is always a pleasure to attend. The professionalism, learning sessions and wealth of information is extremely sustainable. Networking opportunities are endless. I always walk away with more knowledge than I arrived with."*

Steve Lehman

System Director - Food and Nutrition
Bon Secours Mercy Health

» *"This conference is the best way to connect with the personal energy and expertise of the other members. I feel way more connected and confident in the other members filling a similar role after listening and discussing shared issues. Well worth doing."*

Benjamin Hatton

Productivity and Benchmarking Analyst
Providence Health

» *"I walked away from Premier's Breakthroughs Conference excited about the future of healthcare and the direction Premier is leading. I look forward to getting back to work and using the knowledge and motivation I gained at the conference to further our system's mission and vision."*

Sarah Rae

Clinical Data Integration and Analytics Analyst
AnMed Health

» *"The Premier Breakthroughs Conference is educational, fun, invigorating and refreshing! It is so nice to be surrounded by positive people in a learning environment at such an exceptional venue!"*

Kelly Brasel, RN

Quality Improvement Practitioner
Samaritan Medical Center
